

Rate Schedule Effective January 1, 2023
County of Santa Cruz
Recycling and Solid Waste Disposal Facilities

Fee Schedule for Loads Coming from Unincorporated Santa Cruz County & City of Scotts Valley

**Loads from the Cities of Watsonville, Santa Cruz, Capitola,
 and Outside Santa Cruz County are subject to a 28% Surcharge.**
Proof of residency is required for all loads.

Accepted forms of Payment: Cash, Checks, and Major Credit Cards* (*Fees may apply)

All Loads are Subject to Hazardous Waste Load Checking. Hazardous and other prohibited materials, as defined under California law and regulations, may not be disposed at the County facilities. If hazardous materials are found in loads, the hauler is responsible for all costs associated with management of the hazardous material. In addition, the County may notify state and local regulatory agencies, and the responsible party or parties may be subject to civil or criminal prosecution, or both.

ALL LOADS MUST BE PROPERLY TARPED AND/OR SECURED

Vehicles arriving at the landfill with loads that are not properly secured will be subject to a surcharge of the uncovered/unsecured load fee. Uncovered trucks are one of the primary sources of litter found along our roadways.

Customers conducting business at the County landfill/transfer station must unload their materials by 3:45PM. A special handle rate may apply if you are unable to unload by 3:45PM.

GENERAL WASTE ACCEPTANCE INFORMATION

Residential and commercial self-haulers in the unincorporated county: consider the convenience and cost savings of having refuse, recycling, and yard waste collection at your home or business, call GreenWaste Recovery at 831.426.2711 to sign up for service. See self-haul cost comparison flyer for more information.

- o All materials must be unloaded without the aid of County Personnel and/or County Equipment.
- o **NO** mobile/trailer homes, cars, trailers, boats, motorcycles, or other vessels with Vehicle Identification Numbers (VIN) accepted for recycling or disposal.
- o **NO** discounts are given for airspace or water weight (i.e., due to rain).
- o **NO** commercial hazardous wastes or asbestos accepted. Call County Environmental Health at 454-2022 for information on commercial hazardous waste disposal.
- o All refuse disposal loads include a \$1.40 per ton CA Integrated Waste Management Fee.
- o All vehicles will be charged per cubic yard (CY) when scale/computer is inoperable.
- o Higher unit rate applies to mixed loads and contaminated wood waste loads.
- o Senior Citizen (60 or above) discount rate is \$2.00 per load of self-hauled residential material.
- o All incoming commercial, industrial, and residential waste loads will be periodically inspected for hazardous and unacceptable wastes. Commercial or industrial loads found having hazardous wastes will be turned away and all incident information will be turned over to the County Environmental Health Department for further action.
- o All efforts must be made to have dead animals delivered to the landfill between the hours of 9:00AM to 2:30PM. All dead animals must be double bagged.
- o Special Handle rate will be applied to any load of wood waste that has dirt, refuse, or wood waste over 8 feet in length or 4 feet in diameter, or any other non-acceptable materials outlined in the Wood waste and Yard waste acceptance policy.

BEN LOMOND TRANSFER STATION WASTE ACCEPTANCE INFORMATION

- o **NO** scrap metal, pipe, lumber, wood waste/yard waste, stumps, root balls or logs exceeding 6 feet in length or 8 inches in diameter will be accepted inside the Transfer Station.
- o **NO** dirt, potting soil, rocks, sand, or base rock materials will be accepted at the Transfer Station. Take these materials to the Buena Vista Landfill.
- o Large loads and oversized wood waste/yard waste, construction/demolition debris, dirt, concrete, rocks, sand, brick, and asphalt can be taken to the Buena Vista Sanitary Landfill. Some of these materials are accepted at discounted rates, if properly sorted.

SANTA CRUZ COUNTY LANDFILL AND TRANSFER STATION RULES

- o **NO** scavenging or salvaging of any material from the landfill/transfer station or recycling center is allowed.
- o Obey all County personnel/staff and traffic signs. The maximum speed limit at the landfill is 15 miles per hour; it's for your safety and the safety of others.
- o Children and pets are welcome at the landfill; however, we ask that they remain in the vehicle at all times while here at the landfill/transfer station.
- o All visitors who wish to conduct business other than disposing/recycling of materials must have prior authorization. Visitors are asked to check-in at the scalehouse.
- o All loads must be properly secured or tarped. Uncovered loads will be subjected to an additional charge.
- o All accepted items must be placed in their designated areas or containers. Non-compliance may be subjected to an additional charge.

Treated Wood Waste (TWW) Disposal Policy	
Residents who Self-Transport Home Generated TWW (greater than 50 lbs. require TWW Transporter Variance) TWW Only Accepted Mon – Sat at Ben Lomond Transfer Station (500 lbs. maximum per day) & Buena Vista Landfill Customers Must Unload TWW by Hand into Bin	Small and Large Quantity Generators, Transporters & Haulers TWW Only Accepted Tue – Thurs at Buena Vista Landfill Only Customers Must Unload TWW by Hand into Bin
1. Pre-Sort treated wood waste load BEFORE arriving at the landfill/transfer station. We are required to track weights for treated wood waste coming into our facility per DTSC guidelines. 2. Once you arrive: Declare your treated wood waste at the Scale House. Cashier will then weigh in customer load of TWW. 3. Cashiers will direct customers to the designated TWW bin. Homeowners who self-transport will then be required to hand unload treated wood waste into a bin provided at the landfill/transfer station.	1.
