## **VALENCIA ROAD PM 2.43 STORM DAMAGE REPAIR PROJECT**

### **Daily Road Closures to Continue**

The County of Santa Cruz Department of Public Works has announced that work is continuing on Valencia Road at post mile 2.43, near the intersection of Flume Road. The previously announced daily road closures from 8:30 a.m. to 4:30 p.m. will continue through Friday, October 2, 2020, weather permitting. These daily road closures are necessary for construction of a soldier pile wall. Please use the posted detours during the daily road closures. At all other times the road will be open with temporary signals in place.

The Department of Public Works would like the motoring public to avoid this area if possible. Up to date information on County maintained roads in Santa Cruz County is available online at <http://www.sccroadclosure.org/>.
