FELTON EMPIRE ROAD PM 1.40, 1.62 & 2.62 STORM DAMAGE REPAIR PROJECT Road Closure to Begin

The County of Santa Cruz Department of Public Works has announced that storm damage repairs will commence at three locations on Felton Empire Road at post miles 1.40, 1.62 & 2.62, which will be subject to occasional road closure, lane closures and traffic delays. Work will begin on August 30, 2021, and is expected to last through the middle of November 2021.

The road will be closed between post miles 1.40 and 2.62, on weekdays from 9:00 a.m. to 12:00 p.m., and from 1:00 p.m. to 4:00 p.m., beginning Tuesday, August 31st, through Tuesday, September 21, 2021. During the remaining hours of the day, one lane will be closed at each post mile, and traffic will be controlled using a temporary signal.

This road closure, lane closure and delay are necessary for the construction of soldier pile retaining walls and roadway improvements. The Department of Public Works would like the motoring public to avoid these areas if possible and to expect delays. Questions may be directed to Dan Valley at (831) 454-2373.
