The Board of Directors of the Davenport County Sanitation District DOES
ORDAIN as follows:

SECTION I

Title 4, Chapter 4.08, Article III, Sections 4.08.160 through 4.08.180 of the

4.08.160 Amount of charge--Residential facilities.

The sewer service charge for each residential facility shall be \$2,775.52 per year.

charge that would otherwise be applicable to such facility under this section shall not apply.

4.08.180 Amount of charge--School facilities.

The annual sewer service charge for each school, whether public or private, shall
be \$899.70 per year plus \$55.40 per student based on the average daily attendance for the school
